

# Tungsten Filament Lamps

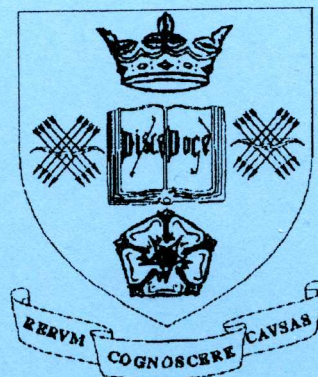

## A Case Study

University of Sheffield

Department of Engineering Materials

**Mathew Peet**

4TH YEAR M. ENG

---

	<b>Contents</b>	Page No.
1	Introduction	2
2	Alternatives to the incandescent light bulb	4
3	Service Conditions	5
4	Production of Tungsten Filaments	6
5	Failure modes	8
6	References	9
7	Tungsten Properties	10
8	Energy distribution of light spectrum	12
9	Micrographs	15
