

Materials Science and Technology ('the Journal')

In order for Maney Publishing ('the Publisher') to ensure the widest possible dissemination and protection of material published in the Journal, we request authors to assign worldwide copyright in print, digital and other media in their papers, including abstracts, to The Institute of Materials, Minerals and Mining. This enables us to ensure maximum international copyright protection against infringement, and to disseminate your article, and the Journal, to the widest possible worldwide readership.

Please read the explanatory notes of this agreement on the following page.

1. In consideration of the undertaking set out in paragraph 2, the Author(s) as beneficial owner(s) hereby assign(s) to The Institute of Materials, Minerals and Mining the copyright in the article named below for the full legal term of copyright.

Article title: Stabilisation of ferrite in hot-rolled δ-TRIP steel

Name(s) of Author(s): H. L. Yi, K. Y. Lee & H. K. D. H. Bhadeshia

Manuscript no./ref. (if known): MST 9151

So that there should be no doubt, it is understood and agreed that this assignment includes the right to publish or adapt (subject to paragraphs 3 and 4) the material in the article for use in conjunction with computer systems, including networks; the article may be published in printed, CD-ROM, microfiche, on-line, or other machine-readable form.

2. Maney Publishing, as the Journal's publisher, hereby undertakes to prepare for publication and publish in the Journal the Article named in paragraph 1.
3. The Editor of the Journal and the Publisher are empowered to make such editorial changes as may be necessary to make the Article suitable for publication. Every effort will be made to consult the Author(s) if substantive changes are required.
4. The Author(s) hereby assert(s) their moral rights under the terms of the Copyright Designs and Patents Act 1988 to be identified as the Author(s) of the Article.
5. The Author(s) warrant(s) that the Article is the Author(s)' original work, has not been published before, either in part or whole, and is not currently under consideration for publication elsewhere. The Author(s) also warrant(s) that (a) the Article contains no libellous or unlawful statements, (b) it in no way infringes the rights of others (including the holders of copyright in material used within the Article), (c) that permission has been obtained to reproduce any material or illustrations for which they do not hold copyright, and that (d) the Author(s), as the owners of the copyright, is (are) entitled to make the assignment set out in this agreement.
6. In cases where the article is a translation of a previously published article, the Author(s) warrant(s) that full permission has been obtained to carry out and publish the translation of the article from its original language, and that it in no way infringes the rights of others (including the holders of copyright in material used within the original Article).

Copyright Assignment

I hereby sign this Assignment of Copyright with the full knowledge and agreement of all Authors named above in 1.

Signed: H. D. Bhadeshia Date: 2-10-09

Printed name: H. K. D. H. BHADSHIA

Please note: it is essential for publication that Maney Publishing receive this signed Assignment of Copyright form. Without it, we will be unable to proceed to publication.

Please complete all specified fields and return this signed form to the Production Editor of the Journal either by email, fax or post:
